

Delta Sigma Theta Sorority, Incorporated
TAMPA ALUMNAE CHAPTER

November 1, 2011

Dear Friend of the Tampa Alumnae Chapter,

Delta Sigma Theta Sorority, Incorporated's Tampa Alumnae Chapter has been serving the residents of Hillsborough County since 1947. As a public service organization of over 200 college-educated women, we continue to focus on the needs of the Tampa Bay community by sponsoring educational development initiatives, economic development seminars and workshops, political awareness and involvement activities, as well as physical and mental health forums. This year, our 54th *Queen of Hearts Charity Ball* will be held on Saturday, March 10, 2012, at the A La Carte Pavilion. The Tampa Alumnae Chapter, in partnership with D.E.L.T.A., Inc., hereby requests your support of this fundraiser. The proceeds will be used to continue our scholarship giving and community programs.

Tampa Alumnae has received national recognition for promoting academic achievement and leadership development of young ladies through our "Delta Academy" program, which emphasizes mathematics and science for middle school age girls, and our "Delta GEMS" program, which focuses on leadership skills for high school young ladies. Our newest initiative, EMBODI (*Empowering Males to Build Opportunities for Developing Independence*), mirrors the same program format for middle and high school age young men. Each year, the chapter awards over \$15,000 in scholarships and educational assistance to local high school seniors to pursue higher education. For more details, please visit the Tampa Alumnae website at www.dstta.com and our national website at www.deltasigmatheta.org.

We hereby invite you to support the 54th *Queen of Hearts Charity Ball* by purchasing a digital ad and/or tickets. Ads will be digitally displayed during the event. To purchase an ad or tickets (\$65 per person), please see any member of the Tampa Alumnae Chapter, or contact the chapter at 813-684-1302 or tampaalumnaetech@gmail.com.

The deadline for the submission of ads is February 18, 2012.

Thank you in advance for your support.

Sincerely,

Janette Spencer-Davis, President
Tampa Alumnae Chapter

Dr. Marian Lauria-Davis, President/CEO
