*"Give Something That Means Something"*

### **CHAPTER PRESIDENTS!**

*Soror Horton is asking each chapter to dedicate five minutes of your meeting to a chapter-wide CAMPAIGN 22 giving moment. Top-giving chapters will be recognized during the 47th Regional Conference in Kissimmee!*

**Campaign 22 is a special giving event. All Deltas in the Southern Region are asked to make a \$22 donation in honor of our illustrious Founders. This giving campaign will take place January 22 - April 22, 2020.**

### *Why Give?*

To help the Dynamic Southern Region keep costs affordable without sacrificing our classic Delta flair, a portion of this campaign will also offset 47th Regional Conference expenses. And, as sorors give, a portion of the contributions received will support collegiate attendance at this year's Regional Conference.

### *Steps*

A giving account has been established for sorors to donate directly through PayPal by using the "Give to Campaign 22 Now" link below. Sorors also may use the QR code to link directly through a smartphone or tablet. We encourage sorors to share this link with other sorors. You may donate in the name of someone or make a monthly donation to allow us to assist more collegiates.
